About Admission

Miami's official admission policy is in The Student Handbook, available online at www.MiamiOH.edu/handbook.

Miami's Oxford campus is selective in admissions accepting only a portion of those who apply.

Admission information for international students and for Hamilton and Middletown campuses appears later in this chapter.

Freshman Admission Standards

First-year admission to the Oxford campus is based upon many variables including but not limited to: high school performance (curriculum, grade point average, and class rank), test scores (ACT and/or SAT), essay, extracurricular/work experiences, and letters of recommendation. Personal interviews are not utilized.

Students who have not earned a state-certified high school diploma or have not earned a General Educational Development (GED) certificate must submit descriptions of their curriculum and educational resources used during the last four years. If sufficient information to assess academic achievement and ability is not provided, samples of work in such areas as English, mathematics, natural science, social studies, foreign language, and fine arts may be requested.

Special abilities, talents, and achievements, as well as diversity of the student body, are also considered in making admission decisions. The university believes that diversity enhances the quality of education its students receive. Diversity may include socioeconomic factors, under-enrolled minority group members, career interests, artistic abilities, geographical backgrounds, and other special characteristics.

For information about open admission for first-time students to Hamilton and Middletown campuses, see that section in this chapter and the Hamilton and Middletown Campuses section.

High School Preparation

To be admitted to Miami, you must have ordinarily earned a state-certified high school diploma or have a General Educational Development (GED) certificate. Alternatively educated students without a GED certificate can be considered for admission by presenting credentials that demonstrate equivalent levels of academic achievement, ability, and performance. (Please contact the appropriate admission office for guidelines.)

All candidates are also expected to have completed:

- four units of college preparatory English
- four units of college preparatory mathematics

- four units of college preparatory natural science (including both a physical and a biological science)
- three units of college preparatory social studies (including one unit of history)
- two units of foreign language, both in the same language
- one unit of fine arts, including art, drama, dance, or music, either appreciation or performance

Making up Requirements

If you have otherwise qualified for admission, but not fulfilled these unit prerequisites, you must complete them before you graduate with a baccalaureate degree from Miami. These regular courses will count toward graduation, and many of them can fulfill other university requirements. Normally, students complete these prerequisites within their first 64 credit hours of college work.

The following courses will fulfill the requirements:

English: Complete the English composition requirement of the Global Miami Plan; no additional courses are required.

Natural Science, Social Studies: Complete natural science and social science requirements of the Global Miami Plan; no additional courses are required.

Mathematics: Complete a mathematics course of at least three credit hours at the level of MTH 102 or higher, or complete a statistics course of at least three credit hours at the level of STA 125 or higher.

Fine Arts: Complete the fine arts requirement of the Global Miami Plan; no additional courses are required.

Foreign Language: Take one year of foreign language selected from the following beginning level sequences (or higher level courses):

Code	Title	Credit Hours
SPA 101 & SPA 102	Beginning ASL I and Beginning ASL II	8
ARB 101 & ARB 102	Elementary Arabic I and Elementary Arabic II	8
CHI 101 & CHI 102	Elementary Chinese and Elementary Chinese	8
FRE 101 & FRE 102	Elementary French and Elementary French	8
GER 101 & GER 102	Beginning German and Beginning German	8
GER 111 & GER 201	Review of Basic German and Second Year German	6
HBW 101 & HBW 102	Beginning Modern Hebrew and Beginning Modern Hebrew	8
KOR 101 & KOR 102	Beginning Korean I and Beginning Korean 2	8
LAT 101 & LAT 102	Beginning Latin and Beginning Latin	8
POR 111	Accelerated Introduction to Portuguese	4
RUS 101 & RUS 102	Beginner's Course and Beginner's Course	8

SPN 101 & SPN 102	Beginner's Course and Beginner's Course	8
----------------------	--	---

Exceptions

These prerequisites are not required in order to earn a two-year degree. Students who continue their studies to earn a baccalaureate degree, however, are required to fulfill these standards.

Students graduating from high school prior to 1986 must have completed 17 units of study; at least 10 of those units must include any combination of English, speech, mathematics, science, history, social studies, and foreign language.

Students who qualify for admission by earning the General Educational Development (GED) certificate must submit a transcript of completed high school course work to evaluate fulfillment of these standards. Credentials of alternatively educated students will be evaluated to determine fulfillment of these standards.

ACT or SAT Test Scores

Miami requires official ACT or SAT test scores sent directly from the testing agency. Exceptions to this policy will be granted to applicants who have been out of high school five or more years or have already completed 20 transfer credits.

No preference is given for ACT or SAT.

Housing Requirement

First- and second-year students admitted to the Oxford campus (except those who reside with their parents or legal guardians; are at least 21 years of age; or are married or reside with dependent children) must live in a university residence hall. For information, about the housing requirement for transfer students, see "Transfer Student Admission."

See more about residence halls in the General Information section.

Medical and Insurance Requirements

Students under age 30 must present proof of Ohio K-12 grade immunization requirements (please refer to our website at www.miamioh.edu/health for a list of requirements). Failure to meet immunization requirements will prevent course registration. TB screening is required annually for students who are arriving from or have recently traveled to a high risk country for longer than 6 weeks. High burden countries are as defined by the World Health Organization. Screening will be scheduled by Student Health Services and completed after arrival to campus.

You must provide proof of health insurance coverage every year by completing the electronic Health Insurance Waiver form between June 1st and August 1st. If you are not covered by another policy, you will be charged for the insurance the university makes available. The insurance rate is in the Fees and Expenses chapter.

Commuters

Freshmen who live within commuting distance and live in the home of their parents, legal guardians, or spouses may apply to the

Oxford campus. See Freshmen Admission Standards for information regarding admission.

Miami Regionals in Hamilton, Middletown and West Chester are commuter campuses and have an open enrollment policy for first-time freshmen. Local area residents who are not accepted to the Oxford campus can begin their Miami studies by commuting to one of the Regional locations. After fulfilling the minimum requirements to fully or partially relocate, they can continue at the Oxford campus or complete one of the degrees offered at the Regionals.

Spring Semester, Summer and Winter Admission

Freshmen may be admitted for fall and spring semesters and are eligible for early enrollment the preceding summer or winter terms. Admission to some programs in the College of Creative Arts is available only in the fall semester except by special permission.

Notification and Acceptance

Dates for notification of admission and your confirmation of acceptance are listed online (www.MiamiOH.edu/admission/) and in your admission acceptance packet.

As a member of the National Association of College Admission Counseling, Miami University supports the *Statement of Principles of Good Practice* and "permits candidates to choose, without penalty, among offers of admission and financial aid until May 1. Candidates admitted under an early decision program are recognized exceptions to this provision." (Section II, A, 6).

Dates for transfer student notification of admission and confirmation of enrollment are listed online (www.MiamiOH.edu/admission/transfer) and in the transfer admission acceptance packet.

Summer Orientation

All first-year students and their families are invited to a one -and-a-half day orientation program. Held during June, the program provides an opportunity to learn more about the university and to register for classes.

Orientation program information is mailed to all incoming first-year students after they have confirmed their enrollment. Students register online for the program through their myMiami portal at <http://mymiami.MiamiOH.edu>.

If a student cannot attend a Summer Orientation session in June, the student must attend August Orientation and participate in advising and registration at that time. Please direct all questions about Orientation, please call 513-529-9771 or email orientation@MiamiOH.edu. Also, visit our website for complete dates and details about all Orientation programs (www.MiamiOH.edu/orientation).

International students attend orientation approximately 1-2 weeks prior to the start of classes. Contact international@MiamiOH.edu for more information.

Non-degree Student Admission

High school students (College Credit Plus program, formerly known as post-secondary enrollment option): This state program provides opportunity for eligible middle and high school students (grades 7-12) to earn high school and college graduation credit through successful

completion of college courses. Courses are open on a space-available basis. Questions regarding eligibility and admission should be directed to the appropriate admission office (Hamilton, Middletown, or Oxford). University housing is not available to students in this program. Prospective students should consult with their high school guidance counselors.

Senior citizens: Individuals who are 60 years of age or older and have resided in the state of Ohio for at least one year can audit any course without charge if permission is granted by the instructor and facilities are available. Any special course requirements or fees are the responsibility of the student. Formal admission and registration are not required.

Visiting (transient) students: A student who attends another college or university, has been in attendance at the school during the past 12 months, is in good standing, and receives permission from that institution to attend Miami University.

Unclassified students: Students who have bachelor's degrees from other colleges or universities and do not want to get an additional degree from Miami may apply as unclassified students. Admission is granted as facilities are available.

International Student Admission

Basic requirements for admission of international students to undergraduate study include:

- Completion of formal secondary education in a pre-university curriculum that culminates in the award of a secondary school diploma or certificate which is generally recognized as the educational qualification necessary to gain admission to higher studies in your own country.
- Adequate financial support
- English language ability sufficient for you to undertake a full course of study. See the following section, "English Proficiency."
- SAT or ACT tests scores are required for admission of international students who are attending U.S. secondary schools or secondary schools in another country that follow a U.S. high school curriculum, and those who intend to participate in the intercollegiate athletic program and need to comply with NCAA eligibility requirements.

English Proficiency

International applicants (non-immigrants with F-1, J-1 or other visa status) whose native language is not English are required to submit evidence of English proficiency prior to their admission. In most cases, applicants will need to present satisfactory scores on the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS). Information concerning these examinations and location of test centers can be obtained at www.toefl.org or www.ielts.org.

Students admitted through the American Culture and English (ACE) Program are conditionally admitted to Miami University as non-degree seeking students. For a student's status to change from conditional admission to regular, degree-seeking enrollment, students must complete the ACE core curriculum with a B- or higher in each of the required English language classes (ACE 112 and ACE 113) and with a passing grade (C or higher) in the American culture course. If a student does not achieve a grade of B- or higher in

both ACE 112 and ACE 113, or does not receive a grade of C or higher in the American culture course, the student's enrollment status will remain conditional and the student will be required to retake the pertinent course(s) during his/her second semester. If the student does not earn grades of B- or higher in ACE 112 and ACE 113 and does not receive a grade of C or higher in the American culture course at the conclusion of the second semester, that student has not met the requirements of conditional admission and will not be allowed further enrollment at any Miami University campus.

Undergraduate international students, like all Miami undergraduates, must satisfy the freshman English requirement. Students will initially be placed in the appropriate English courses based on test scores or other English proof of proficiency received at the time of admission. Additional proficiency tests will be administered before or during international student orientation to determine English course placement.

ENG 107 (4) is designed to provide foundational skills for international students in written English. Upon successful completion, students will be placed in ENG 108 or 109. ENG 108 is a pre-freshman level course designed to provide international students with basic competence in written academic English. ENG 108 is followed by ENG 109, a first-year composition course that is similar to ENG 111 except ENG 109 concentrates on special needs of non-native speakers.

An additional speaking proficiency test will be administered either before or during international student orientation to determine whether or not the student is in need of speaking support within the context of the student's required acculturation course. Upon review of each student's speaking sample, students will be assigned to one of the following courses. These courses are NOT part of a sequence, and students will take only one of these courses in their time at Miami. CAS 116 (3) is designed to support academic English speaking and listening skills, while supporting students in acclimation and acculturation to US educational culture as well as Miami University culture. EDL 151 (2) is intended to acclimate and acculturate first year International students to the U.S. educational culture and in particular to the Miami University culture.

Non-native English speakers may pursue additional practice in the use of written English at the Howe Writing Center located in King Library.

Selective Admission

Student Handbook, under Selective Admission.

Conditional Admission

A student who is competitive for admission, but does not meet the minimum English language proficiency requirement, may be offered conditional admission. Conditional admission is only granted through approved intensive English language programs, including the Miami University American Culture and English (ACE) Program. For a student's status to be changed from conditional admission to regular enrollment, the student must complete and fulfill all criteria established by the approved program.

Information and Application

Information and application forms for prospective international undergraduate students are available online at MiamiOH.edu/admission/international. Students can also contact the office at:

Miami University Regionals Locations

Miami University Regionals includes Miami Hamilton and Miami Middletown, two community-based campuses of Miami University, a highly-regarded public university with a national reputation. Other regional locations include the Voice of America Learning Center (VOALC) in West Chester and the Greentree Health Sciences Academy (GHSA) in Middletown.

Many students earn their bachelor's degree taking classes entirely at the regional locations. Students may also earn select degrees online through Miami University Regionals. Other students begin on the regional campuses and, after meeting required criteria to relocate, complete their degree on the Oxford campus.

Miami University Regionals Admission Standards

Miami University Regionals have an open admission policy for first-time freshmen. To be admitted, you must have graduated from a state-chartered high school or have a General Educational Development (GED) certificate. Alternatively educated students without a GED certificate can demonstrate academic achievement by submitting a description of curriculum and educational resources used during the last four years and other information necessary to assess ability. ACT or SAT test scores are required for new and recent high school grads.

A beginning freshman or transfer student admitted to Miami University Regionals may partially or fully relocate (take the majority of credit hours in Oxford) as a matriculated Miami University student with at least a 2.00 cumulative grade point average, an acceptable conduct record, and after earning at least 16 hours of graded Miami University college-level coursework (not including developmental 00_classes, CLEP, AP and College Credit Plus credit). At least one Fall or Spring semester must be completed on a regional campus. Winter term credits and grades can not be utilized for Spring relocation as they are not posted until after Spring semester begins. Students who want exceptions to these requirements granted must submit their request on the relocation application form.

More information is available in the chapter about Miami University Regionals (College of Liberal Arts and Applied Science). To receive further details about admission contact:
