Department of Economics, Suite 2054
Farmer School of Business, 513-529-2836
fsb/academics/economics/academics/graduate-program

This program prepares students for careers as professional economists, equipped to serve academia, government, and the business world. Accordingly, this program provides a background in economics that can serve as a terminal degree or preparation for further graduate study. Emphasis is on theoretical and statistical techniques used in the investigation of empirical problems.

The Farmer School of Business also offers a Master of Business Administration and a Master of Accountancy; these programs are described under their alphabetical listings.

Admission Requirements

Applicants should have completed, with a grade of C or better: intermediate-level courses in microeconomic and macroeconomic theory, at least one course in calculus, and at least one course in statistics. Additional mathematics courses are strongly recommended. GRE examination scores and three letters of recommendation should be sent to the department address listed above.
