General Information

Miami offers graduate study leading to master's, Specialist in Education, and doctoral degrees. Certificate programs are also available.

Information on admission, graduate assistantships, courses, and requirements is online (<http://www.MiamiOH.edu/graduate-school/>).

Departments Offering Graduate Study

Graduate degrees and certificates offered by each division are listed below. The master's in Environmental Science; Cell, Molecular and Structural Biology; and Ecology, Evolution; Transformative Education; and Environmental Biology are interdisciplinary programs.

Ph.D. program applicants may apply for a special interdisciplinary degree, subject to the approval of the admitting Ph.D. department and the Graduate School. Please contact the Director of Graduate Study in the appropriate department for more information.

All departments offering graduate study have information available about requirements and courses.
