General Information

Miami University Regionals are commuter campuses of Miami University, a highly-regarded public university with a national reputation. Regional locations include: the Hamilton campus, the Middletown campus, the Voice of America Learning Center (VOALC) in West Chester, and the Greentree Health Sciences Academy (GHSA) in Middletown.

The College of Liberal Arts & Applied Science (CLAAS) is home to twelve academic departments offering bachelor and associate degrees, as well as select graduate degrees. Bachelor degree offerings include Applied Communication, Applied Social Science, Commerce, Community Arts, Criminal Justice, Engineering Technology, English Studies, Forensic Science and Investigation, Information Technology, Integrative Studies, Liberal Studies, Nonprofit and Community Studies, Nursing, and Psychological Science. Classes are offered during the day, evening, and in online and hybrid formats.

The Hamilton and Middletown campuses are full-service campuses, with a range of student facilities and services. Hamilton serves about 4,500 students and Middletown serves about 3,000 students.

Miami University Hamilton occupies about 75 acres on the east bank of the Great Miami River between Neilan and University boulevards in Hamilton. Classes began in 1968. Miami University Hamilton offers courses for both CLASS majors and majors in Oxford.

Miami University Middletown opened in 1966 on 142 wooded acres between University and Breiel boulevards in Middletown. Miami University offers a part-time graduate social work program there, as well as courses for both CLAAS majors and majors in Oxford.

In 2009 Miami opened the Voice of America Learning Center in West Chester, midway between Cincinnati and Dayton and adjacent to I-75. Miami's nationally ranked Professional MBA program is based at the Learning Center. In addition to the MBA program, area educators can

take advantage of professional development, graduate courses, and degree programs through Miami's College of Education, Health and Society. Miami's Corporate and Community Institute, which is based at the Learning Center, offers development for business, industry, and government.

Opened in 2011, the Greentree Health Science Academy is located on the campus of the Atrium Medical Center near Interstate 75 in Middletown. Miami University has a nursing lab at this site and also offers general education courses there.

Since 1999, students have been able to complete many Miami Regional course(s) and programs without traveling to a physical campus. As a pioneer in online learning, Miami Regionals have significant experience in cultivating rich learning experiences to meet the diverse needs of students. Online programs include the following: Applied Communication, Commerce, RN-BSN completion Program, Prekindergarten Education, and the Master of Science in Criminal Justice.

Students may take coursework at Miami Regional Locations to begin a bachelor degree in most majors. Bachelor degrees can be completed in CLAAS on the regional campuses or in other colleges at the Oxford campus.

Registration

Registration for new students takes place during the Student Orientation, Advising, and Registration program (SOAR) which occurs in June, July, and August for Fall Semester, and in December and January for Spring Semester. Continuing students may select coursework once registration opens, October for Spring Semester, April for Fall semester, February for Summer term, and May for Winter term. Registration dates and times for new and continuing students may vary; consult the regional campus Calendar of Events and Advising & Registration Sessions (SOAR) schedule for specific information.

Relocation

Regional campus students may take coursework at any of the Miami University Regionals locations (Hamilton, Middletown, Voice of America Learning Center, and Greentree Health Science Academy) to begin a baccalaureate degree in most majors. Bachelor degrees can be completed in the College of Liberal Arts and Applied Science on the regional campuses, in other divisions at the Oxford campus,

or at other four-year institutions. Students seeking to complete Miami baccalaureate degrees on the Oxford campus must apply to relocate when they need to take Oxford courses. Regional campus students may relocate to Oxford (full or partial) after earning at least 16 hours of graded Miami University college-level coursework (not including credit/no credit, developmental 00_classes, CLEP, AP, and College Credit Plus credit), a 2.00 minimum cumulative grade point average, and an acceptable conduct record. At least one fall or spring semester must be completed on a regional campus. Regional campus students must submit the relocation form, submit appropriate health forms, and meet with an appropriate Oxford divisional advisor prior to being allowed to register for Oxford courses. Relocation requirements will be verified as of the start of the approved relocation term by Regional Enrollment Operations and the Regional Advising Office. Students wishing to relocate to Oxford with exceptions to these requirements must submit their rationale within the relocation form.

Bachelor of Arts

- Community Arts
- English Studies
- Psychological Science

Bachelor of Arts/Bachelor of Science

- Liberal Studies

Bachelor of Integrative Studies

- Integrative Studies

Bachelor of Arts/Science in Applied Communication

- Communication Studies
