Theatre - Bachelor of Arts in Theatre

For information, please contact the Department of Theatre, 119 Center for Performing Arts, 513-529-3053. The department offers a Bachelor of Arts in Theatre.

The Bachelor of Arts in Theatre is intended for students who wish to pursue the study of theatre situated within a liberal arts tradition. The undergraduate program is committed to developing creative thinkers with artistic vision through a program that emphasizes the interplay between critical thinking and artistic practice. All courses must be taken for a grade.

Special Admission Requirements: Theatre Majors

In addition to the general university application, you should complete a separate departmental information form and arrange an audition/interview with the department. Special admission on the basis of outstanding talent is available. You can submit a department application and schedule an on-campus interview at https://miamioh.edu/cca/departments/theatre/admission.html, or call the department office at 513-529-3053.

At the interview you will present two different examples of creative work you have done, whether in theatre or other related disciplines; see the link above for details. At the interview, you will discuss your experiences and interests with a faculty member.

Program Requirements

(48 semester hours)

Only four credit hours of courses taken by students enrolled in the dance minor may also count toward requirements in the BA in theatre.

Only eleven credit hours of courses taken by students enrolled in the music theatre minor may also count toward requirements in the BA in theatre.

Please note that courses listed in more than one category may only be used to fulfill ONE requirement.
