

Inclusive Special Education Minor

The Inclusive Special Education Minor provides frameworks for the teaching and learning of all PK-12 students. Students will take coursework in both theory and practice in PK-12 student learning and inclusive educational practices. Open to any major and recommended for education majors and majors in education-related fields including speech pathology and social work. This minor can usually be completed within a four-year program. This minor does not lead to a teaching licensure, certificate, or endorsement. Students may declare the special education minor using this form.
