

Primary Special Education Minor with Licensure

This minor is required for students in the PK5/PK5 Intervention Specialist Dual Licensure Program to complete the four-year requirements for primary intervention specialist licensure. This minor allows PK5/PK5IS dual licensure students to expand their skills to teach students in preschool through fifth grade with and without disabilities. This minor is only available to students who are majoring in Primary Education who are seeking PK5 and PK5 Special Education licensure
