Program Requirements

The Master of Arts in Political Science at Miami University is a terminal degree for students intending to pursue careers in politics at all levels of government and in nongovernmental organizations. The MA program is designed to equip students with the analytical skills and substantive knowledge necessary for engaging in applied politics, public affairs, and public policy study. Students in the MA program are exposed to the discipline of political science, specifically focusing on how political science theories underpin the systematic study of the behavior of political actors and processes in the American context and globally. Special emphasis is placed on developing the student's understanding of the frameworks for active participation in governance, issue advocacy, law and legal affairs, and public policy research, while developing the research, analytical and writing skills essential for public leaders.
